MODULE TEN: **PROFESSIONAL OPPORTUNITIES AND SUMMARY**

Please finish all assignments and answer all items. Work that is either incomplete or incorrect will be returned to you for completion/correction.

LEARNING OBJECTIVES

To understand educational and professional opportunities for student midwives:

1) Identify local, out-of-state, and international training opportunities for aspiring midwives
2) Know how to prepare a resume suitable for application to midwifery school or clinical /apprenticeship training
3) Identify strengths and weaknesses as a midwifery student
4) Assess personal preparedness for further education/training
5) Review importance of participation in professional organizations

LEARNING ACTIVITIES

1) Interview a midwife in your community, regarding the following:
    A. Training (and her opinion regarding training)
    B. Philosophy of practice
    C. Package of care (what's included)
    D. Expectations of her clients
    E. Her expectations of students/apprentices
    F. Favorite and least favorite things about midwifery practice
    G. Concerns for midwifery's future
6) Attend a midwifery meeting in your community (or meet with at least a few senior midwives and students)
7) Read Heart & Hands, Chapter 7
8) Prepare a resume suitable for application to midwifery school or clinical/apprenticeship training
9) Do Self-Assessment Work Sheet

OPTIONAL LEARNING ACTIVITIES

1) Attend a state, national or international midwifery conference

SUBMIT

1) Interview with midwife
